NORDEA GROUP TO MOVE HEAD OFFICE FROM SWEDEN TO FINLAND – BUSINESS AS USUAL FOR YOU AS A CUSTOMER

We would like to inform you that Nordea's Annual General Meeting in March 2018 voted in favour of moving the Group's head office from Sweden to Finland. As our customer you do not need to take any action in relation to this, but we are required by law to inform you of this change on paper.

Nordea will now relate to the European banking union and be subject to the same regulatory framework as other large European banks, and this will make it possible for us to offer competitive and customer-friendly solutions that make your everyday banking easier, faster and more secure

Nordea will continue to operate as usual and we have obtained the necessary approvals from the authorities to move our head office on the 1st of October 2018. You will find more detailed information about the consequences of the move in a separate attachment to this letter and on www.nordea.no.

We are proud and happy to have you as our customer and want you to know that you may contact us whenever you need to. If you have any questions concerning this letter, please feel free to contact us via chat or by telephone. We are open 24 hours a day, every day.

Yours faithfully
Snorre Storset
