

Fee schedule for Issuer Services Norway

General

This fee schedule consists of the main services Nordea Bank Abp NUF ("Nordea") is providing to the clients in its capacity of an Issuer Account Operator for primary recorded securities in the Norwegian Central Securities Depository maintained by Euronext Securities Oslo (Verdipapirsentralen ASA).

Other fees are determined on a basis of share capital, number of shareholders or investors and a type of the transaction. Nordea's complete Issuer Services fee schedule is provided to the clients upon a request.

Fees and charges

All fees are presented in NOK currency. The value added tax, if applicable, is added to the fees and charges.

In addition to the fees, the client shall pay any and all reasonable out-of-pocket expenses incurred by Nordea in connection with the execution of the service together with any applicable value added tax, including without limitation costs charged by Euronext Securities Oslo and third parties.

Invoicing

The invoicing period is one calendar month and the fees and charges are directly debited from a designated cash account the client holds with Nordea on the following calendar month. Nordea provides a notification on the fees to be withdrawn to the client by e-mail in advance.
