

How to log on to Nettbank Privat with BankID

1. Go to www.nordea.no in your browser

2. Click «Logg inn» at the top right corner of the page

3. Click «Logg inn i Nettbank Privat» in the pop up meny that appears

Nordea

4. Enter your personal security number

The image shows the Nordea login page. At the top is the Nordea logo. Below it are three tabs: "BANKID", "BANKID PÅ MOBIL", and "BASISTJENESTEN". The "BANKID" tab is selected. In the center, there is a text input field labeled "Fødselsnummer (11 siffer)" with a red rectangular highlight around it. To the right of the field is a small "x" icon. Below the field is a green button labeled "Logg inn »". At the bottom, there are two links: "Hjelp til innlogging?" and "Er du ikke kunde? Bli kunde nå!".

5. Click on the green «Logg inn» button

The image shows the same Nordea login page as before. The red rectangular highlight is now around the green "Logg inn »" button. The text input field "Fødselsnummer (11 siffer)" is still visible above it. The links "Hjelp til innlogging?" and "Er du ikke kunde? Bli kunde nå!" are at the bottom.

6. Grab your token code generator (looks like a calculator) and dial the PIN to make the eight digit security code appear in the display

7. Enter the eight digit security code in the field «Engangskode»

The screenshot shows the Nordea login interface. At the top, there is a header bar with a back arrow and the text "Identifisering" on the left, and a "Meny" button with a hamburger icon on the right. Below the header, the main content area has a title "Engangskode" with a help icon. Underneath is a text input field containing "Nordea" and a blue arrow button to its right. A red rectangular box highlights the entire input field and the arrow button. Below the input field is a link that says "Velg annen BankID". At the bottom of the main content area, there is a section with a shield icon and the text "BankID brukersted: Nordea". At the very bottom of the screen, there are two links: "Glemt passord?" on the left and "Hjelp til innlogging?" on the right.

8. Click on the blue arrow

This screenshot is identical to the one above, showing the Nordea login interface. However, in this image, the red rectangular box highlights only the blue arrow button to the right of the "Nordea" input field, indicating the next step in the process.

9. Enter your personal password (BankID password) in the field «Personlig passord»

The screenshot shows the 'bankID Identifisering' interface. At the top, there is a header with the BankID logo and a 'Meny' button. Below the header, the main section is titled 'Personlig passord' with a help icon. A text input field with a key icon and a blue arrow button is highlighted with a red rounded rectangle. Below the input field, the text 'BankID' is visible. At the bottom of the main section, there is a 'Personsertifikat' field with a shield icon and a clock icon. At the very bottom, there are two links: 'Glemt passord?' and 'Hjelp til innlogging?'.

10. Click on the blue arrow

This screenshot is identical to the previous one, showing the 'bankID Identifisering' interface. However, the blue arrow button next to the password input field is now highlighted with a red rounded rectangle, indicating the next step in the login process.

You are now successfully logged in to the netbank
